

***IF YOU ARE...***

**A K-12 Student (public or private):**

Your protection comes from **53G-9-303**

You can get either:

- A Health Exemption, or
- A Personal/Religious Exemption by filling out the module:  
<https://immunize.utah.gov/immunization-education-module/>

If you get a refusal:

- Get the denial in writing
- Cease and desist letter citing the relevant sections of Utah law:
  - o 53G-9-301 (10)
  - o 53G-9-303 (3)

**A Higher-Ed student  
(non-medical, public only):**

Your protection comes from **53B-2-113**

You can get in-person classes full access, and:

- A Health Exemption, or
- A Personal/Religious Exemption

If you get a refusal:

- Get the denial in writing
- Cease and desist letter citing the relevant sections of Utah law:
  - o 53B-2-113(1)
  - o 53B-2-113(2)

If you are a medical student, contact us.

**A Medical Intern/Medical Employee:**

Your protection (for COVID-19 vaccines) comes from **26-45-103**

A genetic procedure, including the COVID-19 vaccine, cannot be a condition for:

- An employment related decision (hiring/promotion/retention etc.)
- An insurance policy premium value

**NOTE: \$100,000 personal compensation per violation of this section**

If you get a refusal:

- Get a recording of the denial
- Contact us to pursue lawsuit options

**A General Employee:**

Your protection (for COVID-19 vaccines) comes from **34-56-201,**

... as well as **26-45-103.**

In addition to protections from a genetic procedure per 26-45-103, you can get the following exemptions:

- Health exemption
- Religious exemption
- Personal belief exemption

If you get a refusal:

- Get a recording of the denial
- Contact us to pursue lawsuit options
